

Question to talk about

- What is a parable and why did Jesus speak using these?
- In your own words explain the meaning of the parable of the sower and the seeds?
- What kind of 'thorny experiences' keep the Word of God from growing in us? What gets in your way?
- How can we be rich soil for the Word of God to be planted in?
- How do you think you could so that? What might we need to change?

What sort of faith do you have? What sort of faith would you like to have?
